

# SHORT TERM MISSION TRIPS

global outreach partner

global outreach  
DUNWOODY BAPTIST CHURCH

Short Term Mission trips are more than excursions into service. They are certainly not as some have called "voluntourism." Instead, our mission trips are designed to be all about discipleship. We go to be better disciples of Jesus. We go to learn, to build relationships, to offer ourselves in service to others. We don't primarily go to accomplish our plans. We go as followers of Jesus. Will you go with us?

**GUATEMALA:** January 14-21, 2012

Partner with Iglesia del Camino in Antigua to engage in a wide variety of service opportunities such as construction, visiting an orphanage, volunteering in a malnutrition center, etc.

**HAITI:** March 10-17, 2012

Build relationships and a house in Gros Jean Haiti; play with children and encourage the leaders at a local orphanage

**JAMAICA:** April 9-15, 2012

Conduct camp for 60 boys and girls who live in children's homes in Jamaica

**TORONTO:** June 2-9, 2012

Our Student Ministry will travel back to Toronto to serve alongside DBC Mission Partner, Toronto Church Planting Network. The team will take part in outreach projects including a bike repair clinic.

## JOIN A TEAM

All participants must commit to the training and the team. Team members are selected after an application and approval process. Contact the Missions Office or a team leader to start the application process.

## HELP SEND

Those back home are invited to give in support and pray for the teams. To give financially, contact the Missions Office or a team leader.
